

TIME IS RUNNING OUT. Complete your External Feedback component for the Continuing Competence Program (CCP) now.

ACSLPA members, registered in 2014 or earlier, need to complete this requirement before 2018 Renewal!

If you're finding it difficult to complete it or have questions, but don't have the time to ask, ACSLPA is here to help!

External Feedback Webinars

We'll be hosting **1-hour webinars over the next 3 months** to bring members together to complete this requirement. These meetings will be very informal and are meant as working sessions for members. An ACSLPA staff member will be present at each session to answer your questions as you work through your external feedback component.

To get maximum value out of the webinar, think about the following:

- What was my goal and what have I accomplished so far? Take a look at your goal and start your self-reflection process.
- What type of feedback do I want to complete? Case review? Peer feedback? Guideline/ document review? Consider what type of feedback fits well with your chosen goal.
- If you've chosen peer feedback, you might want to bring your peer along to the session!
