

Continuing Competence Program (CCP) External Feedback – Open Chat Lines

Have you reviewed the information on the website and/or joined a working session and still have questions about completing your external feedback requirement?

Then drop in to our open chat line! ACSLPA's Director of Professional Practice will be on the line to answer your questions.

Dial in, announce yourself and ask your question (please note, there may already be other callers on the line waiting for their questions to be answered). Come and go as needed – there's no need to stay on the line once you have the information you need.
